

NIRVEL, experience and innovation

Set up in 1979, by Jorge Vaquer Calatayud, it is one of the Spanish leading companies in the cosmetics sector. Our more than 30 years experience in saloons and our non-stop research development has turned out products manufacturing and design of high quality items aimed to cover all the professionals' needs.

NIRVEL COSMETICS, S.L. facilities are fitted with top technology that helps us not only to grow and develop in the cosmetics world but also to guarantee our customers QUALITY, DESIGN and SERVICE, by keeping a high level of BALANCE among DEVELOPMENT and NATURE..

This non-stop research of excellence and sustainable development has helped us to get the ISO certificates for Quality and Environment:

QUALITY MANAGEMENT SYSTEM ISO 9001

ENVIRONMENTAL MANAGEMENT SYSTEM ISO 14001
